

AMAZING GRACE DAY CAMP

JULY 25-29

This wonderful opportunity is right around the corner for us again. Our covenant with the synod is that we will provide volunteers for canvassing, registration, meal and snack preparation and serving, transportation of and housing for the LOMO staff, follow-up with non-churched campers and on site assistance. Pastor Combs and I have signed this covenant and returned it to the synod. We are counting on all the great volunteers of the past and more to join in spreading the Gospel to the children God sends to us.

The tent, the busses, the port-a-lets, and the food all cost money and monetary donations are welcome, but the truth is we need people to reach people. It's the relationships that are begun and continued through the ministry that matters most and it's the relationship that begins for most of the children with the Lord that we are interested in strengthening. I have taught at the day camp since we began the ministry and it is truly the first time some of the children have heard about Jesus and his love for them. Many come with no knowledge, or if they have heard, there is no recollection. It is a perfect ministry to carry out our core values and fits them perfectly. As you read this article, I hope you will consider helping in the areas below. Please contact me or the church office immediately to sign up to lead the children to Christ. It is truly a team effort. No one person can do it and LOMO can't do it without us and nothing can be accomplished without God. As you consider helping, pray for the camp, all who volunteer and especially for the children.

You can volunteer for these tasks: JULY25-29 (9:00am - 3:00 pm)

Set up on Sunday_____

Registration and Checkout_____

Meal and Snack Prep Breakfast_____ Lunch_____

Tear down on Friday_____

Serving Meals Breakfast_____ Lunch_____

Craft Items (TBA)_____
